

Press Release: October 30, 2022 - For Immediate Release

The Loveland Legacy Foundation is pleased to welcome two new Directors to their Board. Dr. Alex Gibberman and Dr. Dave Williams, of 20/20 Eyecare, have joined the LLF Board and bring not only their passion for community service but also new and fresh ideas for how we can achieve our mission of *“Improving the community through an action-based culture, engaging with organizations sharing a common vision, connecting needs to solutions.”* We look forward to their contributions as we continue to help keep our communities STRONG!

The Loveland Legacy Foundation would also like to publicly express our sincere gratitude to three individuals who have recently resigned their positions on the Board of Directors. Doug Beachy (*Christian Brothers Automotive*), Gina Williams (*Tano’s Bistro & Catering*), and Steve Max (*U.S. Bank*) have served LLF for the past five years with commitment, grace, and leadership. The ‘Foundation’ would not be where it is today without their contributions and while they will continue to support our efforts, their presence on the ‘Board’ will be greatly missed.

The LLF Board of Directors has elected the following officers for 2023: Martha L Hadley – President; Brian Garry – Vice President; Dan Peterson – Community Outreach & Secretary; Becky Giver – Treasurer. We are dedicated to continue the work necessary to achieve our vision of *“Providing relief to those in our community who are in need.”*

The Loveland Legacy Foundation is currently seeking additional Directors for our Board. If you or someone you know has a passion to serve this amazing community in which we live, please check out our website www.lovelandlegacyfoundation.org and let us know. As Evangaline DeVol (*NEST Community Learning Center*) has reminded us, *“Without a sense of caring, there can be no sense of Community – Anthony J. D’Angelo”*.
